## NOTICE TO FILE CORRECTED APPLICATION PAPERS

### *Notice of Allowance Mailed*

This application has been accorded an Allowance Date and is being prepared for issuance. The application, however, is incomplete for the reasons below.

Applicant is given 60 days from the mail date of this Notice within which to correct the informalities indicated below. If the informality pertains to the abstract, specification (including claims) or drawings, the informality must be corrected with an amendment in compliance with 37 CFR 1.121 (or, if the application is a reissue application, 37 CFR 1.173). Such an amendment may be filed after payment of the issue fee if limited to correction of informalities noted herein. See Waiver of 37 CFR 1.312 for Documents Required by the Office of Patent Publication, 1280 Off. Gaz. Patent Office 918 (March 23, 2004). In addition, if the informality is not corrected until after payment of the issue fee, for purposes of 35 U.S.C. 154(b)(1)(iv), "all outstanding requirements" will be considered to have been satisfied when the informality has been corrected. A failure to reply will result in the application being ABANDONED. This period for reply is NOT extendable under 37 CFR 1.136(a).

This Notice supersedes the Notice to File Corrected Application Papers mailed 5/2/07.

In the Brief Description of the Drawings, as amended on 9/23/02 via substitute pages 18-21a, the figure citations do not match the numbering of the figures in the drawing sets filed 3/29/02 and 4/28/03. The discrepancies in numbering are shown on the attached table. Correction of the Brief Description to correspond to the 3/29/02 and 4/28/03 numbering of the figures is required.

Also, there is at least one reference elsewhere in the specification to a figure that is not present in the drawings: original page 38 line 16 cites FIG. 35b. This and any other reference to a non-existent figure must be corrected. The entire specification has not been closely reviewed.

*A copy of this notice **MUST** be returned with the reply. Please address response to  
"Mail Stop Issue Fee, Commissioner for Patents,
